

In Touch Administration Building

Client	Property Type	Location	Completion
In Touch Ministries	New Construction	Atlanta, Georgia	December 2008

Project Builders was the Design-Builder for this new 35,900-square-foot two-story building which also connected two existing buildings on the property. This addition included a two-story high main entrance and lobby with interior and exterior water fountain features, a 7,700-square-foot dining hall and assembly space with a catering kitchen, executive office areas, as well as security areas.
